ORDER:

In the reference read above, the Managing Director, Hyderabad Metropolitan Water Supply & Sewerage Board, Hyderabad has stated that the present drinking water sources of Hyderabad City of Osmansagar, Himayathsagar, Singur & Manjeera have become unreliable sources due to not receiving proper inflows in to the reservoirs. The other two sources of Krishna from Akkampally Balancing reservoir and Godavari from Yellampally barrage are also not fully reliable being other stakeholders such as Irrigation, Power, RWS, NTPC Depts etc., are dependent on these sources, resulting conflict in sharing the available water. This issue was discussed with CEO of ILFS(Water) India Ltd., to explore the possibilities of their funding to various water supply and sewerage projects of GHMC/ORR area and they agreed in principle to fund to an amount of **Rs.7600/- Crores** to the HMWS & SB for these Projects. The Government of Telangana has directed HMWSSB to identify two locations for building storage reservoirs, one from Krishna river source and other from Godavari river source.

2. Accordingly, the Managing Director, Hyderabad Metropolitan Water Supply & Sewerage Board has identified the locations at Keshavapuram, Shameerpet Mandal to construct about 20 TMC reservoir under Godavari river source and another one at Devallamma Nagaram, Chowtuppal Mandal to construct about 20 TMC reservoir under Krishna river source. The Managing Director, Hyderabad Metropolitan Water Supply & Sewerage Board has prepared preliminary reports. The tentative cost for Keshavapuram Reservoir is assessed to be **Rs.1660 Crores** and for Devulamma Nagaram Reservoir it is estimated as **Rs.1960 Crores**. Further the Government was also requested to permit the Managing Director, Hyderabad Metropolitan Water Supply & Sewerage Board to engage consultants for preparation of Detailed Project Reports. In this regard, M/s WAPCOS Ltd. a Government of India undertaking has submitted its offer for consultancy work for preparation of DPR for two reservoirs at a cost of **Rs.1.80 Crores** vide its letter dated 31.12.2015 on nomination basis.

3. The Managing Director, Hyderabad Metropolitan Water Supply & Sewerage Board, Hyderabad has proposed that being a Govt of India undertaking consultancy firm M/s WAPCOS Ltd., as earlier similar project proposals were also entrusted to them by HMWSSB and also by I&CAD and other departments, it is recommended to entrust the consultancy to M/s WAPCOS Ltd. on nomination basis for preparation to start with the DPR at a cost of **Rs.1.80 Crores** within a period of 75 days for the proposed two storage reservoirs for providing secured and reliable drinking water supply to Hyderabad City, in consultation with I & CAD Department and to pose the project to ILFS (Water) India for funding.

4. Government after careful examination of the matter, hereby permit the Managing Director, Hyderabad Metropolitan Water Supply & Sewerage Board Hyderabad to entrustment the work of preparation of DPRs for (2) reservoirs i.e. at Keshavapuram, and Devallamma Nagaram reservoirs at a cost of **Rs. 1.80 Crores** on nomination basis to M/s. WAPCOS Limited and to pose the project for funding to ILFS (Water) India.

-:2:-

5. The Managing Director, Hyderabad Metropolitan Water Supply & Sewerage Board, Hyderabad shall take necessary action accordingly.

6. This order issues with the concurrence of the Special Chief Secretary (Finance).

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF TELANGANA)

**M.G.GOPAL
SPECIAL CHIEF SECRETARY TO GOVERNMENT**

To
